

NEWS FROM CLUB 1458

Sign up is now open for April break!

**Please see below for activity information and dates,
and please be in touch with any questions or concerns!**

[School Age Afterschool-Sign up here!](#)

It is incredibly helpful if you can inform us of your child's intended schedule for the week. Please be in touch if your child will be absent any days during the break.

With absences expected, we may combine afterschool groups if attendance is low.

Children should bring a nut-free lunch and two snacks daily.

TBS OPEN 7:30am-6:00pm

Friday, April 22nd

Friday, April 14th
Special Guest:
Master Tom!

Everyone's favorite kung fu teacher returns to Tobin! Master Tom will lead both groups with fun activities to help learn, practice discipline and of course HAVE FUN!

Tuesday, April 19th
Special Guest:
A Fine Dance Studio

A Fine Dance Studio will be offering a class we like to call "Just Dance". It will be the perfect blend of style and structure and our dancers will learn age appropriate hip hop, jazz and of course the FUNdamentals of dance. With fun dance parties at the beginning to warm up before stretching and of course another dance party at the end in celebration of a fun class, dancers will work on their freestyle and improvisation skills as well. Through dance we will teach them to believe in themselves which builds confidence and a strong sense of self. Come and "Just Dance!" with us this session. We can't wait to see you soon.

Wednesday, April 20th
Knucklebones

Spectacular Sports focuses on developing participants' fundamentals and understanding of various sports. Starting at participants level, we'll progress through a variety of sports such as badminton, lacrosse, baseball, basketball, flag football and more. Of course, we'll add in sprinkling of cultural and nature-based games as well as our own sporting games such as Endline, Throw N' Go, and Wheel Steal. Everyone will engage in playing through a perspective of positive psychology and teamwork.

Thursday, April 21st
National Creativity and Innovation Day

World Creativity and Innovation Day is a global United Nations day celebrated on April 21st to raise awareness around the importance of creativity and innovation. We will be exploring creativity from around the globe and innovations that have changed the world.

Friday, February 22nd
Fun Nature Friday

With the nice weather starting to roll in, we will be exploring nature by taking a hike in the trails behind Newman, doing a scavenger hunt and using our creativity with recycled art projects! We will be hoping to see our turtle friends by the pond!

Afterschool Children

Children regularly enrolled in Afterschool are welcome to join Tobin for the days they are enrolled in (until 6:00pm). Children not regularly enrolled may add the day space permitting, in their respective Afterschool group.
