NEWS FROM CLUB 1458

April Break at 1458 -Sign up here!

All children at our 1458 location will be participating in the following activities but will remain in separate groups as usual.

It is incredibly helpful if you can inform us of your child's intended schedule for the week. Please be in touch if your child will be absent any days during the break.

Responses are required by **Monday, April 12th** to help us plan accordingly.

With absences expected throughout the week, Afterschool and Kindergarten groups may be altered based on attendance. Additionally, with teachers taking time off, it is possible your child may be with a different TBS teacher(s).

***Note:** Afterschool and Kindergarten class will not combine together. The 2 Afterschool groups could combine and the 2 Kindergarten classes could combine, based on enrollment.

Safety Expectations

A reminder that all families must follow the travel policy set by the state and adhere to the Tobin Beaudet Schools attestation for safe return to our programs.

Children should bring a nut-free lunch and two snacks daily.
